

YSANNE

YSANNE MUSIC VIEWS

“Songs, to me, reflect a moment of raw genuine emotions. When performing covers or original songs I have to respect the message, testimony and impact that the song has presented. At times, this world loses the importance of understanding someone’s story, which in turn creates an unjust judgement.”

EDUCATION

Greater Hartford of Performing Arts '08 | Dean College '12

Ysanne attended The Greater Hartford Academy of Performing Arts as a Voice Major, and then continued to revolve her education around music when she went to Dean College in Massachusetts. Ysanne graduated from Dean College May 2012, Cum Laude, with her Bachelor's in Art and Entertainment Management: Communications w/Performance studies.
